INVESTMENT OBJECTIVES:

The Aditum Finance Fund aims to maximise risk-adjusted returns by investing in finance investments that are expected to generate low volatility returns, which if achieve, generally exceed other investments of similar duration. The Fund will acquire finance investments directly and indirectly through co-investments and collective investment schemes primarily within emerging markets. The Fund will originate such finance investments from both new and existing relationships primarily with goods and commodity traders, business owners, banks and other entities that facilitate secured storage or movement of goods and commodities.
