INVESTMENT OBJECTIVES:

The Aditum Structured Finance Fund will seek to achieve attractive risk-adjusted returns with downside protection in a diversified portfolio of private debt opportunities. The Fund expects to generate low volatility returns which are uncorrelated to traditional asset classes, and which generally exceed other investments of a similar duration. The fund invests in, but is not limited to, trade finance, structured trade, export/import finance, supply chain finance, inventory finance, factoring, receivable finance, asset-based finance, bridge finance, expansion finance and project-based finance opportunities, located primarily in, or having exposure to, global emerging markets.
