INVESTMENT OBJECTIVES

The investment objective of the Fund is to invest substantially all of its assets in Fundsmith Equity Fund (the “Master Fund”), a sub-fund of Fundsmith SICAV. The Master Fund will invest in equities on a global basis and will be a long-term investor in its chosen stocks. The Master Fund will not adopt short-term trading strategies and has stringent investment criteria which the Master Fund Manager adheres to in selecting securities for the Master Fund’s investment portfolio.

### DISCLAIMER

This material is communicated by Aditum Investment Management Limited "Aditum". This information has been provided in good faith and from sources believed to be reliable, but no guarantee is given as to its accuracy. The opinions expressed in this document are not intended to serve as investment advice or solicitation and should not be used in substitution for the exercise of own judgment. The information, including expression of opinion, has been obtained from or is based upon sources believed to be reliable, fair and not misleading. Any opinion or estimate contained in this material is subject to change without notice.

The information contained in this document does not constitute an investment advice, a recommendation or offer to buy or sell or subscribe to any specific investment and does not have any regard to the specific investment objectives, financial situation or the particular needs of any person and is provided for information purposes only. Potential investors are reminded to seek professional advice before investing. The tax legislation applying to the Fund's relevant place of domicile may have an impact on the prospective investor's personal tax position.

Investment involves risk and prospective investors should be aware that investment in the Fund carries a significant degree of risk. Risks involved in any asset class may include, but are not necessarily limited to, market risks, credit risks, currency risk, political risks, geographical and economic risks therefore investment as well as performance would be exposed to variations and the investment may increase or decrease in value. Certain investments may be speculative and considerably more volatile than other investments. Further, changes in applicable laws, regulations, or tax regimes could adversely affect the performance of the fund or its underlying investments.

This document may include figures relating to simulated past performance. Past performance, simulations and performance forecasts are not reliable indicators of future results and are not a guarantee of future returns, meaning investors may get back less than the amount originally invested.

As Aditum may from time to time invest in its managed funds, potential conflicts of interest may arise. They are addressed in a manner consistent with established policies and procedures to manage such conflicts, ensuring fair treatment of all investors.

As a general rule, potential investors should only invest in financial products that they are familiar with and understand the risks associated with them. Potential investors should carefully consider their investment experience, financial situation, investment objective, risk tolerance level prior to making the investment. The investment contains specific risks, including asset class where it might be difficult to realize an investment or to obtain information about performance. The investment risk may include the possible loss of the principal amount invested.

For a full outline on applicable fees, classes of shares please refer to Fund's latest prospectus, supplement or term sheet accurate as at the date of issue.
