Dividends and Distribution

Prospective investors should be aware that the target dividend distribution is not guaranteed and remains subject to the Fund's performance, prevailing market conditions, and the discretion of the Fund Manager however the decision to declare a dividend in relation to any Fund, Sub-Fund or Share Class (or Sub-Class) will be made solely by the respective Board of Directors. There is no assurance that the Fund will achieve its investment objectives or distribute dividends at the target rate. The declaration of any dividends will be made in accordance with the CIL, the CIR and the Articles. Where dividends are declared, all investors (unitholders) recorded in the unitholder register of the relevant Fund, Sub-Fund maintained by the Registrar and Transfer Agent at the end of the relevant record date shall be eligible for a dividend. Fund dividend procedure may vary for each Fund (Sub-Fund) and each Share Class (or Sub-Class) as is set out in the relevant documentation. For further information, please refer to the official Fund documentation or contact the Fund Manager.

Use of Leverage

Investing in this fund involves a significant degree of risk due to the use of leverage. Leverage, or borrowing to invest, can amplify both gains and losses, which makes leveraged investments suitable only for investors who fully understand and are prepared to accept the potential volatility and loss. Key Risks to Consider will include market risk, increased volatility, loss of principal, interest rate risk and financial costs (leverage involves borrowing costs that may increase due to rising interest rates. These costs can erode returns and increase the risk of losses, particularly in prolonged periods of higher interest rates), liquidity risk, margin calls and forced liquidation, regulatory and tax implications. Investors should seek independent tax advice to understand regulatory and tax implications fully. Leveraged investments are generally suitable for experienced investors who are financially capable of managing the risks associated with significant losses and who have a high-risk tolerance. This fund is not recommended for conservative investors or those with a short-term investment horizon.
